Background

1. **Dogsthorpe Infant School is committed to safeguarding and promoting the welfare of all children. Safeguarding is everyone's responsibility.**

2. Our safeguarding arrangements are underpinned by:
   - Keeping children safe in education 2026,
   - Working together to safeguard children 2026,
   - The Education Act 2002,
   - Children Act 1989 and Children Act 2004,
   - The Human Rights Act 1998,
   - The Equality Act 2010,
   - Data Protection Act 2018 and UK GDPR, and
   - Cambridgeshire & Peterborough Safeguarding Partnership Board Procedures.

3. The welfare of the child is paramount and all decisions made by Dogsthorpe Infant School will be taken in the best interests of children.

4. This responsibility is more fully explained in the statutory guidance for schools and colleges Keeping children safe in education 2026 (KCSIE). **All** staff must be made aware of their duties and responsibilities under Part One of this document.

5. It is essential that everyone working in a school or college understands their safeguarding responsibilities. The governing body and proprietors, working in partnership with the senior leadership team and the Designated Safeguarding Lead (DSL), will ensure that all staff, including those who do not work directly with children, read and understand at least Part One of KCSIE.

6. Governing bodies and proprietors should ensure that mechanisms are in place to assist staff to understand and discharge their roles and responsibilities as set out in KCSIE.

7. Through their day-to-day contact with pupils, and direct work with families, all staff in school have a responsibility to:

   - Identify concerns early, offer support, and prevent issues from escalating,
   - Provide a safe environment in which children can learn,
   - Identify children who may benefit from Family Help and early support,
   - Know what to do if a child tells them he/she is being abused or neglected in line with the setting procedures, and
   - Follow the referral process if they have a concern and support children's social care and other agencies following this (paragraphs 55-61 of KCSIE).

8. This policy is consistent with the Cambridgeshire & Peterborough Safeguarding Partnership Board procedures.

Purpose

9. There are four main elements to this policy:

   1) **Prevention** - Through the teaching and pastoral support offered to pupils and the creation and maintenance of a whole school protective ethos,

   2) **Procedures** - For identifying and referring cases, or suspected cases, of abuse or exploitation,

   3) **Supporting children** - Particularly those who may have been abused or witnessed violence towards others, and

   4) **Preventing unsuitable people working with children** - Processes are followed to ensure that those who are unsuitable to work with children are not employed.

10. This policy is available to parents on request and is on the Dogsthorpe Infant School website www.

Scope

11. This policy sets out how the setting's governing body discharges its statutory responsibilities relating to safeguarding and promoting the welfare of children who are pupils at the setting. Our policy applies to **all** staff, paid and unpaid, working in the setting including governors.

12. We use the terms "must" and "should" throughout the guidance. We use the term "must" when the person in question is legally required to do something, and "should" when the advice set out should be followed unless there is good reason not to.

13. Safeguarding and promoting the welfare of children is defined as:

- Providing help and support to meet the needs of children as soon as problems emerge,
- Protecting children from maltreatment, whether that is within or outside the home, including online,
- Preventing the impairment of children's mental and physical health or development,
- Ensuring that children grow up in circumstances consistent with the provision of safe and effective care,
- Promoting the upbringing of children with their birth parents, or otherwise within their family network through a kinship care arrangement, whenever possible and where this is in the child's best interests, and
- Taking action to enable all children to have the best outcomes.

Prevention

Standard Commitments

14. We recognise that children who are confident, resilient, listened to, and supported by positive relationships with trusted adults are better protected from harm. We are committed to creating a culture where safeguarding is everyone's responsibility, children's welfare is paramount, and children feel able to seek help when they need it. The setting will:

- Establish and maintain a culture of safeguarding in which all children feel safe, secure, respected and valued, including within the online environment, and are encouraged and supported to talk openly about anything that worries them,
- Ensure that all children are listened to and that their wishes, views and feelings are taken seriously and appropriately considered when determining what action to take, in accordance with their age, understanding and individual needs,
- Ensure children know who they can turn to for help and support within the setting, understand how to report concerns about themselves or others, and are confident that concerns will be taken seriously and acted upon promptly and appropriately,
- Promote protective behaviours, resilience, wellbeing and positive mental health through a broad, balanced and inclusive curriculum and through the wider life of the setting,
- Provide a curriculum, including Relationships Education, Relationships and Sex Education and Health Education (where applicable), Health Education and online safety education, that is age, stage and developmentally appropriate and responsive to the specific needs, vulnerabilities and experiences of individual children,
- Support children to recognise risks both online and offline, including abuse, exploitation, grooming, coercion, harmful sexual behaviour, sexual violence and sexual harassment, criminal exploitation, child-on-child abuse, radicalisation, misinformation and disinformation, and to know how to seek help and support,
- Recognise that children may be at greater risk of harm or face additional barriers to disclosing abuse, including children with special educational needs and disabilities (SEND), children who are or have been looked after, young carers, children who identify as LGBTQ+, children experiencing mental health difficulties, and children with protected characteristics, and ensure appropriate support is in place,
- Ensure all staff understand that safeguarding incidents and behaviours can be associated with factors outside the school/college and can occur between children as well as between adults and children,
- Promote equality, diversity and inclusion, helping children to develop an understanding of respect, tolerance, healthy relationships, consent, protected characteristics and individual differences,
- Challenge, address and respond robustly to all forms of prejudice-related behaviour, discrimination and abuse, including sexism, misogyny, misandry, sexual harassment, sexual violence, homophobia, biphobia, transphobia, racism,

disablism and other behaviours motivated by prejudice or hate. Such incidents will be recorded, monitored and responded to in accordance with the setting's policies and procedures, and

- Foster strong and trusted relationships between children and staff to ensure that concerns can be identified early, help can be provided as soon as problems emerge, and children receive the right support at the right time.

15. Dogsthorpe Infant School will incorporate into the curriculum activities and opportunities which equip children with the skills they need to stay safer from abuse and exploitation in all contexts.

    At Dogsthorpe Infant School, children learn how to keep themselves safe through our PSHE, Relationships Education and Behaviour Curriculum. Using Kapow Primary as our core curriculum resource, children learn about healthy relationships, personal boundaries, consent, trusted adults, online safety and how to seek help when they feel worried or unsafe. They are taught that their body belongs to them, the correct names for body parts, and how to recognise and report inappropriate or unsafe behaviour. This learning is reinforced through our Behaviour Curriculum, Be Safe, helping children to develop confidence, resilience, respect and the skills needed to stay safe inside and outside of school.

16. We use the Staying Safe units within the Kapow Primary Relationships Education and PSHE curriculum to teach children about safety in relationships, personal boundaries, consent, trusted adults, online safety and how to access support when needed.

Staff Induction and Safeguarding Awareness

22. The governing body will ensure that all staff, volunteers, governors and trustees receive appropriate safeguarding information at induction and are provided with regular safeguarding updates thereafter.

23. From induction onwards, all staff will be made aware of:

- The identity and role of the Designated Safeguarding Lead (DSL) and Deputy Designated Safeguarding Lead(s) (DDSLs),
- The setting's safeguarding and child protection procedures,
- The systems for recording and reporting safeguarding concerns,
- Their individual responsibility to safeguard children and report concerns without delay,
- The requirement to read and understand Part One of KCSIE,
- The setting's staff code of conduct and whistleblowing procedures, and
- The role of filtering and monitoring systems and the process for reporting concerns relating to online safety.

24. Staff must understand:

- How to identify signs of abuse, neglect, exploitation and child-on-child abuse,
- That children can be at risk of harm both inside and outside the home, inside and outside the setting and online,
- The importance of professional curiosity,
- Their responsibility to provide a safe environment in which children can learn,
- Their role in Family Help and Early Help processes,
- The process for making referrals to Children's Social Care,
- The safeguarding response to children who are absent from education, particularly where absence is repeated or prolonged, and
- The safeguarding risks associated with misinformation, disinformation, generative AI, deepfakes and other emerging technologies.

Reporting Concerns

25. All staff must act immediately if they have concerns about a child's welfare.

26. Staff are required to record safeguarding concerns on My Concern immediately and submit them to the DSL or DDSL without delay. Any concerns relating to physical

abuse, sexual abuse or a child at immediate risk of harm must also be reported verbally to the DSL/DDSL as soon as possible and followed up in writing.

27. When a member of staff needs to complete a log of concern but is unable to easily be released from their role (i.e. teacher, TA working with a SEND child), the ORANGE DISK kept in each classroom can be sent to the office to request support.

Designated Safeguarding Lead Arrangements

28. The governing body will ensure that an appropriately trained DSL and sufficient Deputy DSLs are appointed to provide effective safeguarding leadership.

29. The DSL or a Deputy DSL will always be available during operating hours and term time to discuss safeguarding concerns and support staff in making referrals where necessary.

30. In the absence of the DSL and all Deputy DSLs, staff should seek immediate advice from the senior leadership team or Executive Headteacher and, where required, make a direct referral to Children's Social Care or the Police through the safeguarding Professional Referral process. Staff should never delay action because a DSL is unavailable.

31. Whilst there is no statutory requirement for DSL availability during holidays, the setting will ensure that safeguarding arrangements remain proportionate to the needs of pupils. This may include monitoring safeguarding email accounts and providing a nominated safeguarding contact for urgent child protection matters.

Training

32. The governing body will ensure that all staff receive safeguarding and child protection training at induction and through annual updates.

33. Training will include:

- Child protection procedures,
- Child-on-child abuse,
- Exploitation,
- Online safety,
- Prevent awareness,
- Filtering and monitoring responsibilities,
- Children missing education,
- Family help processes,
- Professional curiosity,
- Information sharing,

- The risks associated with misinformation and disinformation,
- Emerging technologies and AI-related safeguarding risks, and
- Local safeguarding procedures and multi-agency working arrangements.

Online Safety

34. The governing body recognises that safeguarding includes protecting children from online risks and harms.

35. Hampton Academies Trust E-Safety Policy & AI Policy reflect the requirements of KCSIE, Meeting digital and technology standards in schools and colleges and Generative AI: product safety expectations.

36. The E-Safety Policy and the AI Policy includes procedures for responding to:
    - Online abuse and exploitation,
    - Cyberbullying,
    - Harmful online content,
    - Misinformation and disinformation,
    - Making, possessing or sharing nudes and semi-nudes (see Sharing nudes and semi-nudes: advice for education settings working with children and young people), and
    - Risks associated with generative AI, deepfakes and manipulated imagery.

Filtering and Monitoring

37. Hampton Academies Trust will ensure that appropriate filtering and monitoring systems are in place to safeguard children online and limit exposure to harmful content.

38. With support from the DSL and relevant IT providers, the effectiveness of filtering and monitoring systems will be reviewed at least annually by the designated senior leader responsible.

Whistleblowing and Low-Level Concerns

39. The Trust will ensure that all staff recognise their duty to raise concerns about poor, unsafe or inappropriate practice.

40. Concerns will be managed sensitively, proportionately and in accordance with the setting's Whistleblowing Policy, Staff Code of Conduct, and procedures for managing allegations and low-level concerns about adults working with children. See Appendix A - Dealing With Allegations Or Concerns About An Adult Working With Children.

Working with Parents and Carers

41. The governing body will ensure that parents and carers are informed of the setting's safeguarding responsibilities and that this Safeguarding and Child Protection Policy is published and accessible via the setting's website.

Vulnerable Groups of Children

42. The governing body recognises that while all children can be harmed, some children may face additional barriers to safeguarding and may be at greater risk of abuse, neglect or exploitation, both online and offline.

43. Dogsthorpe Infant School will give particular consideration to children identified within KCSIE as potentially vulnerable and ensure appropriate support and protective measures are implemented where required.

Alternative Provision and Off-Site Education

44. Where pupils access alternative provision or are educated off-site, Dogsthorpe Infant School remains responsible for ensuring appropriate safeguarding arrangements are in place.

45. Dogsthorpe Infant School will:

- Undertake appropriate due diligence before any placement begins,
- Obtain written confirmation that relevant safeguarding and safer recruitment checks have been completed,
- Maintain effective information-sharing arrangements with the provider,
- Monitor attendance, welfare and safeguarding arrangements throughout the placement, and
- Review placements immediately where safeguarding concerns arise and end placements where necessary.

46. When a child is accessing Alternative Provision off-site, the LA agreed provider is given appropriate access to My Concern to log any concerns. A member of staff visits the setting at least fortnightly to see the child. A check-in phone call is also made to parents/carers on a regular basis.

47. When a child is accessing Alternative Provision onsite, the LA agreed provider is required to share DBS information of the key worker and report to a member of staff on each visit.

48. For further information, see page 55 of KCSIE, Education for children with health needs who cannot attend school or in Alternative Provision].

The Governing Body's Obligations

49. The governing body recognise that they have a strategic leadership responsibility for safeguarding and promoting the welfare of children and must ensure that the setting complies with its duties under legislation and statutory guidance. Readers should refer to Part Two of KCSIE for the full responsibilities of governing bodies, proprietors and management committees.

50. The governing body will ensure that safeguarding arrangements are effective, child-centred and embedded throughout the setting. Safeguarding governance includes leadership and oversight, safer recruitment, child protection arrangements, online safety, filtering and monitoring, staff training, and the promotion of a culture where safeguarding is everyone's responsibility.

51. The governing body will:

- Appoint a Safeguarding Governor to provide strategic oversight and champion safeguarding,
- Ensure all governors and trustees receive safeguarding and child protection training, including online safety, at induction and through regular updates,
- Ensure governors can provide appropriate strategic challenge regarding safeguarding arrangements and their effectiveness,
- Ensure compliance with duties under the Human Rights Act 1998, Equality Act 2010, Public Sector Equality Duty and Cambridgeshire & Peterborough Safeguarding Partnership Board's safeguarding arrangements,
- Receive and scrutinise an annual safeguarding report and ensure any identified weaknesses are addressed without delay,
- Review, ratify and update this Safeguarding and Child Protection Policy annually,
- Ensure this policy is understood and implemented by all staff,
- Ensure the policy is published on the setting's website,
- Ensure appropriate filtering and monitoring systems are in place and reviewed annually,
- Ensure that children's wishes, views and feelings are considered when safeguarding decisions are made, and
- Promote a strong safeguarding culture where the welfare of children is paramount.

Multi-Agency Working

52. Education settings have a pivotal role to play in multi-agency safeguarding arrangements. Governing bodies and proprietors should ensure that Dogsthorpe Infant School contributes to multi-agency working in line with Working Together to Safeguard Children 2026.

53. Dogsthorpe Infant School will:
    - Work to develop effective links with relevant services to promote the safety and welfare of all pupils and students,
    - Co-operate as required, in line with Working Together to Safeguard Children 2026, with key agencies in their enquiries regarding child protection matters including attendance and providing written reports at child protection conferences and core groups,
    - In line with Working Together to Safeguard Children 2026, distinguish between universal services, early help and the targeted early help level of Family Help – which is a formal, local-authority-coordinated, consent-based offer, distinct from universal early help.
    - The DfE statutory guidance on school attendance Working Together to Improve School Attendance will be followed and school must work with local authority children's services where school absence indicates safeguarding concerns,
    - Notify the relevant Social Care Team immediately if:
        - It should have to exclude a pupil who is subject to a Child Protection Plan (whether fixed term or permanently),
        - There is an unexplained absence of a pupil who is subject to a Child Protection Plan,
        - There is any change in circumstances to a pupil who is subject to a Child Protection Plan, and
    - When a pupil who is subject to a Child Protection Plan leaves, information will be transferred to the new school immediately. The Child Protection Chair and Social Care Team will also be informed.

Record Keeping, Confidentiality and Information Sharing

54. Dogsthorpe Infant School will maintain clear, detailed, accurate, written records of concerns about children, including rationale of action taken in consultation with local threshold guidance.

55. Records should include:

    - A clear and comprehensive summary of the concern,
    - The child's lived experience, and where appropriate their views,
    - Details of how the concern was followed up, decision making, use of local partnership tools and note of any actions taken and any outcomes, and
    - A record of discussion/communication with parents and their views.

56. Electronic records are stored on an identified, purpose-built, secure platform (e.g. My Concern) and meets the DfE's Meeting digital and technology standards in schools and colleges - Cyber security standards for schools and colleges. All staff are directed to the National Cyber Security Centre's (NCSC) Cyber security training for school staff.

57. Information about children and their families is defined as 'special category personal data', i.e. information that identifies a living individual. Collection, storage and sharing of personal data is governed by the United Kingdom General Data Protection Regulation (UK GDPR) and the Data Protection Act 2018.

58. Dogsthorpe Infant School will ensure that information is shared appropriately to safeguard and promote the welfare of children, in accordance with data protection legislation and relevant information-sharing guidance. Staff must understand their responsibility to share information where necessary to protect children. The DSL will ensure that safeguarding information is shared on a need-to-know basis, that decisions to share or withhold information are recorded, and that Subject Access Requests are managed in accordance with the Data Protection Act 2018 and UK GDPR.

Communication with Parents/Carers

59. Dogsthorpe Infant School is committed to working openly and collaboratively with parents and carers to safeguard and promote the welfare of children. Parents and carers are informed of the school's safeguarding and child protection responsibilities through the school website and other relevant communications:

- Where there are concerns about a child's welfare, Dogsthorpe Infant School will, wherever appropriate, seek to discuss these with parents and carers and work in partnership with them to identify the most effective support. However, there may be circumstances where sharing information with parents could place a child or another person at increased risk of harm or could impede a criminal investigation. In such cases, Dogsthorpe Infant School will act in the child's best interests and seek advice from relevant safeguarding agencies as required, and
- Dogsthorpe Infant School will maintain a clear record of discussions held with parents and carers, including the rationale for any decision not to inform them.

Responding to Child-on-Child Abuse, Sexual Violence, Sexual Harassment and Harmful Sexual Behaviour

60. Dogsthorpe Infant School recognises that children can abuse other children, and that child-on-child abuse can occur both inside and outside of school, including online. All forms of child-on-child abuse are taken seriously and will never be dismissed as banter, part of growing up, or simply having fun. This includes, but is not limited to:
    - Bullying (including cyberbullying),
    - Physical abuse,
    - Initiation or hazing behaviours,
    - Prejudice-based abuse,
    - Sexual harassment,
    - Sexual violence,
    - Consensual and non-consensual sharing of nude and semi-nude images and/or videos, and

- Harmful sexual behaviour.

61. Dogsthorpe Infant School will respond to all concerns in a proportionate, appropriate and timely manner, ensuring that the needs and safety of all children involved are considered.

62. Staff will maintain an attitude of 'it could happen here' and will follow the procedures set out in this policy and statutory guidance. Further information can be found in Part Five of KCSIE, which sets out the expectations for schools and colleges in relation to child-on-child abuse, sexual harassment, sexual violence and harmful sexual behaviour. Also see Sharing nudes and semi-nudes: how to respond to an incident.

Supporting Children

Protecting Children

63. Dogsthorpe Infant School recognises that whilst all children should be protected, it is important that governing bodies and proprietors recognise (and reflect in their policies and procedures) that some groups of children are potentially at greater risk of harm than others (both online and offline). The list below is not exhaustive but highlights some of those groups:

- Children who need a social worker (Child in Need and Child Protection Plans),
- Children who are absent from education,
- Elective home education (EHE),
- Children requiring mental health support,
- Looked after children and previously looked after children,
- Care leavers,

- Children with special educational needs, disabilities or health issues,
- Safeguarding children with medical conditions,
- Children who are lesbian, gay or bisexual, and
- Children who are questioning their gender.

64. Dogsthorpe Infant School understands that it is important to recognise specific forms of abuse and safeguarding issues. School and college leaders and those staff who work directly with children should act on concerns immediately and follow organisation procedures, including recording concerns and speaking with DSL (or a deputy). The list below details those groups as per KCSIE's Annex A, which contains detailed definitions:

- Child abduction and community safety incidents,
- Child Criminal Exploitation (CCE) and Child Sexual Exploitation (CSE),
- County lines,

- Children and the court system,
- Children missing from education,

- Risk Outside the Home (ROTH) Assessment Guidance.]

66. At Dogsthorpe Infant School, we are working in partnership with Cambridgeshire Police and Peterborough City Council to identify and provide appropriate support to pupils who have experienced domestic abuse in their home; this scheme is called Operation Encompass.

67. To achieve this, Peterborough's Education Safeguarding Team will share police information of all domestic incidents, where one of our pupils has been present, with the DSL or Domestic Abuse (DA)Lead. On receipt of any information, the DSL or DA Lead will decide on the appropriate support the child may require.

68. The Operation Encompass information is stored in line with all other confidential safeguarding and child protection information. All information sharing and resulting actions will be undertaken in accordance with the Cambridgeshire and Peterborough Joint Agency Protocol for Domestic Abuse Notifications to Schools, Colleges and Early Years Settings.

69. It is a statutory duty for teachers in England and Wales to personally report cases of FGM in under-18s which they identify in the course of their professional work to the police. Teachers must consider and discuss such cases with the DSL and involve social care as appropriate. For further information and resources refer to pp 170-171 of KCSIE.

Children Who Have Returned Home to their Family from Care

70. Dogsthorpe Infant School recognises that a previously looked after child potentially remains vulnerable. We will vigilantly monitor the welfare of previously looked after children, keep records and notify Children's Social Care if a concern arises.

Children Exposed to Risk Outside the Home (ROTH)

71. Extra-familial harms (Risks outside the Home – ROTH) take a variety of different forms and children can be vulnerable to multiple harms including, but not limited to, sexual exploitation, criminal exploitation (including county lines and online exploitation), serious youth violence, peer-on-peer abuse and radicalisation.

Children at Risk of Radicalisation

72. The governing body will ensure that a DSL has undertaken Prevent Lead training (refreshed every 2yrs) and that all staff receive training about the Prevent Duty within induction and regular updates/annual refreshers.

73. **The following member of staff is the Prevent Lead and has undertaken Prevent Lead training: Rebecca Waters**

74. Dogsthorpe Infant School's Designated Safeguarding Lead (and Deputies) should be aware of local procedures for completing a National Prevent referral form.

75. See also The Prevent duty: an introduction for those with safeguarding responsibilities, and Prevent duty guidance: England and Wales (2023).

76. Dogsthorpe Infant School has a Prevent Action Plan and ALL staff & governors complete annually the **PREVENT** – DfE Awareness course https://www.support-people-susceptible-to-radicalisation.service.gov.uk/portal#awareness-course

Privately Fostered Children

77. Private fostering is when a child under the age of 16, (under 18 if disabled) is provided with care and accommodation by a person who is not a parent, person with parental responsibility for them or close relative, in their own home for 28 days or more.

78. Dogsthorpe Infant School will follow the mandatory duty to inform the Peterborough City Council of any Private Fostering arrangements via a Safeguarding Referral.

Preventing Unsuitable People From Working With Children

Recruitment

79. Dogsthorpe Infant School will operate safer recruitment practices including ensuring appropriate DBS and reference checks are undertaken according to Part Three of KCSIE. This section should be read in conjunction with Hampton Academies Trust Safer Recruitment Policy.

80. The governing body will ensure that at least one of the persons who conducts an interview has completed safer recruitment training.

81. **The following members of staff have undertaken Safer Recruitment training:**
Rebecca Waters
Toni Gattuso

Allegations that may Meet the Harms Threshold (KCSIE Part Four, Section One)

82. Any allegation of abuse made against any person in paid or unpaid capacity that meets the harms threshold as set out in KCSIE's Part Four, Section One, will be reported straight away to the Headteacher.

83. In cases where the [Headteacher is the subject of an allegation, it will be reported to the [Chair of Governors. Dogsthorpe Infant School must follow the procedures set out in Part Four of KCSIE.

84. Dogsthorpe Infant School will consult with the Local Authority Designated Officer (LADO) in the event of an allegation being made and adhere to the relevant procedures set out in KCSIE, Part Four and the setting's HR Policies which can be found on SharePoint as well as seek advice from their HR provider.

85. The Headteacher will ensure that all allegations are reported to the LADO within one working day. The LADO will advise on all further action to be taken.

86. Before contacting the LADO, Dogsthorpe Infant School will use the guidance chart found in Appendix A - Dealing With Allegations Or Concerns About An Adult Working With Children to support their decision-making.

87. If Dogsthorpe Infant School identifies that a child has been harmed, may be at risk of harm, or requires an immediate safeguarding response, the DSL (or deputy) will make a referral to the LADO, Children's Social Care and the police without delay, as appropriate.

88. Dogsthorpe Infant School will use the local LADO Procedures set out by the Cambridgeshire & Peterborough Safeguarding Partnership Board.

89. Dogsthorpe Infant School will follow the duty of care set out on page 111 of KCSIE regarding the welfare of those involved.

Concerns that do not Meet the Harms Threshold

90. Low level concerns that do not meet the harms threshold should be reported to the Headteacher. The term low level does not mean that it is insignificant, it means that the behaviour towards a child does not meet the harms test

91. In cases where the Head Teacher or Principal is the subject of an allegation, it will be reported to the Chair of Governors. Dogsthorpe Infant School will follow the procedures set out in Part Four, Section Two of KCSIE.

92. As good practice governing bodies and proprietors should set out their low level concerns policy within their staff code of conduct, which is available on Sharepoint.

93. All low-level concerns should be recorded in writing. The record should include details of the concern, the context in which the concern arose and action taken. The name of the individual sharing their concerns should also be noted, if the individual wishes to remain anonymous then that should be respected as far as reasonably possible.

94. Dogsthorpe Infant School can decide where these records are kept, but they must be kept confidential, held securely and comply with the Data Protection Act 2018 and the UK GDPR. See Hampton Academies Trust Data Retention Policy.

95. Dogsthorpe Infant School will promote an open culture where concerns about adults working in or on behalf of Dogsthorpe Infant School are addressed promptly and appropriately. This helps identify inappropriate behaviour early, reduce the risk of abuse, and ensure all adults understand and follow professional boundaries, the setting's ethos and values.

96. Dogsthorpe Infant School should ensure that **all** staff are aware of the need for maintaining appropriate and professional boundaries in their relationships with pupils, parents or carers as advised within the Professional and Personnel Relationships Guidance. Signed confirmation is required.

97. Dogsthorpe Infant School will ensure that staff, supply staff and volunteers are aware that sexual relationships with pupils aged under 18 are unlawful and could result in legal proceedings taken against them under the Sexual Offences Act 2003 (Abuse of Position of Trust).

101. If a child is absent from school and no contact can be made with parents or other named contacts by the second day of absence, members of the safeguarding team will carry out a home visit to ascertain the reason for absence. If contact cannot be made then the Police will be contacted to request a 'Safe & Well' check. We reserve the right to visit on day one in exceptional circumstances.

102. If a child is not collected from school by 4.00pm (4.45pm if attending an after school club) and the school staff are unable to make contact with any of the named contacts then the Police will be called.

Appendix A - Dealing With Allegations Or Concerns About An Adult Working With Children

Box A

- How long has the adult or member of staff worked for you?
- Have there been any previous concerns raised?
- Is this a one-off or part of a pattern of behaviour?
- Has the member of staff previously been given advice in this area?
- Would an associated pattern of behaviour (if it exists) be seen by others? (How closely do they work with other colleagues?)
- Might this have been a planned action or event?
- Could this behaviour be inadvertent? What is the likelihood of this?
- Could this be the precursor to more concerning behaviour?
- Did it occur in a 'public' or 'private' place? Was this in or out of school or college?
- If electronic devices are involved, have any relevant files been deleted and is there any evidence of this?
- If this relates to inappropriate language, what is the precise nature of the language used? How inappropriate is it? What was the context – where was this, and who were the listeners? Could this be seen as 'banter' or might it have more serious undertones?
