

Cucina are extremely proud to be the chosen catering service provider here at Dogsthorpe Infants School, and we are very much looking forward to serving your children better food in the summer term.

In our primary restaurant we offer a selection of hot and cold food offers to help get your child through the day. Our commitment to customers is to ensure we use the freshest food prepared to the highest standards,.

Our Chef Manager Jane Stapleton, has been working for Cucina for 5 yrs. joined the ladies at Dogsthorpe Infants School at the beginning of January. Jane always leads her team from the front and greets the children every lunchtime with the warmest of smiles whilst serving their lunch, when she goes missing she can often be found in the dining hall encouraging the children to eat their meals, try new and exciting foods and flavours and handing out stickers to the children.

## What's new!

Since taking over we have revitalised the dining hall and brought it up to the standard that matches the food, We have had our EHO health and safety inspection within the first month of taken over and proud to have retained our clean slate of 5 STARS across the trust.

## What's hot?

We spent a number of days with a select group of children rolling out and decorating space themed biscuits, that children were allowed to take home (not that they made it that far). This is the first of many fun activities we plan on providing here at Dogsthorpe Infants.

## Theme days

Since January, Cucina have held a number of theme days including, Superheroes day, Pancake day, Valentines day and World book day. Please keep an eye out for future theme days as we will be holding at least 1 each month.

## Menu Changes

We have a brand new menu starting after Easter, where we will be introducing a new meat free Monday, in our bid to work towards the Food For Life standards.

Yours sincerely,

Robert Chambers  
HAT Group Manager
