

Dogsthorpe Infant School **Pupil Premium Grant 2017-18**

What is the Pupil Premium Grant?

Pupil Premium is additional funding allocated given to schools to support pupils who are considered disadvantaged. The chosen measure for this is the entitlement of Free School Meals within the past 6 years.

What are the aims of the PPG?

The main aims of the funding are to raise standards in Reading, Writing and Maths of children in receipt of Pupil Premium and to narrow the attainment gap between disadvantaged pupils and all pupils.

What does this mean for Dogsthorpe Infant School?

For 2017-18 we are receiving funding for 70 pupils which is a total of **£94,300**.

We have a designated Pupil Premium Champion **MRS MARSHALL-SULLY** who works with the Senior Leadership Team to develop a termly action plan which addresses the needs of Pupil Premium children. Termly targets and actions are written in response to data with the aim of ensuring all children in receipt of funding are given every opportunity to make at least expected progress and to achieve the 'Expected Standard' in Reading, Writing and Maths relevant to their year group. The Pupil Premium Champion leads CPD for staff, monitors the quality of intervention programmes, analyses and tracks attainment and progress data, monitors parental engagement through regularly checking that children are reading at home and completing home learning activities, encourages parental engagement through parent/child learning events and workshops and carries out book looks and learning observations.

Funding will be allocated to:

- Ensuring all children have good quality-first teaching in the classroom.
- Providing additional support through interventions (1:1 and groups) led by a teacher or TA.
- Providing pastoral support from the Parent Partnership Co-ordinator and Emotional Literacy Support Assistant.
- Ensuring all children have the opportunity to participate in enrichment activities such as after school clubs and school trips.
- Providing support to meet the needs of specific families in challenging circumstances.

What are our strengths?

- Attainment and Progress of PP pupils in EYFS is above or in line with 'All Pupils' and 'Non-PP' pupils.
- Progress of PP pupils in Year 1 is above or in line with 'All Pupils' and 'Non-PP' in all 3 subjects.
- Attainment of PP pupils in Year 2 is above 'All Pupils' and 'Non-PP' in Maths and above 'Non-PP' pupils in Writing.

What are our main barriers to overcome?

- Attendance of PP pupils is below 95%.
- Low attainment in Reading and Writing of Year 1 PP pupils.
- Although higher than 'All Pupils' and 'Non-PP', attainment of EYFS PP pupils is low in Writing.
