

Eco-Warriors

Litter Pick

16th June 2022

Our Eco-Warrior challenge this half-term was a litter pick around the school grounds.

At our Eco-Warriors meeting the children decided they wanted to do a litter pick around the school grounds.

We talked about the equipment we would need and when we could do it.

We collected the equipment we needed and off we went!

Bin Bags

Gloves

Litter picking sticks

Year 1

Year 1 decided they wanted to pick the litter up from the walk way and bike sheds.

Year 2

Year 2 decided they wanted to pick the litter up from the front of the school.

Look at all the rubbish we collected!

The children really enjoyed our litter pick.

“Miss Stamper, it’s really important that we pick up all the rubbish so it doesn’t harm the animals.”

The Eco-Warriors have decided for their next challenge they would like to help with saving ENERGY around the school. We will make posters to encourage children and staff to turn off the lights when we are not in our classrooms.

A huge **thank you** to all our Eco-Warriors for helping take care of our school environment.

Miss Stamper, Eco-Warrior Leader
