

# Forest Schools

Autumn 2

# Our topic this half-term is Time Travellers!

## Year 1

We created some amazing Christmas cards using natural materials and used our Shine values of Imagination, Perseverance and Determination to make a 'Time Travellers' medal to transport us to our favourite place!

## Year 2

We have made bows and arrows.

We used our imagination to become a knight and defend our castle using our bow and arrows, we took part in a target practice session!

We worked in small groups to find natural resources in the Forest Schools area to create a castle.

Year 1  
'Time Traveller' medals

## Year 1

The children showed amazing determination and perseverance to use a palm drill to create the hole in our medals for our string!

## Year 2

The children found a stick for their bow in the Forest School area and then used the saw to cut the edges so they were smooth to place the elastic in.

Target Practice!  
'Bullseye'!

Every Knight enjoyed a hot chocolate/water and a biscuit at the end of their training session!!

A huge **thank you** to all the staff and children in Year 1 and Year 2 for another fantastic half-term at Forest Schools.

I wonder what fun activities we will do in Spring 1?

Miss Stamper, Forest Schools Leader
