

# Forest Schools

Autumn 1

# Our topic this half-term is 'This is me, this is my world'

## Year 1

The children thought about which materials would be best to make kites from and created 3D maps of the school site using natural resources found in the Forest School area.

## Year 2

The children have thought about Healthy eating.

We made and cooked some delicious soup!

As a class, the children decided on which vegetables they wanted to have in their soup, they prepared them and then we cooked them on a tripod over an open fire in the Forest School area.

## Year 1

The children used different materials to make a kite, we had so much fun flying them, even though there wasn't a lot of wind!

## Year 1

The children enjoyed their juice/water with some popcorn that we had made on the fire following the stay safe guidelines.

## Year 2

We had to wait for the soup to cook but the children were very patient. Everyone tried the soup but there was mixed feelings about how it tasted and smelt!

## Year 2

The children worked together to put up a tent, they loved sitting inside singing songs, chatting and playing rock, paper, scissors!

At the end of each Forest School session, I love to read a book.  
This half-term I read the following books:

Year 1- Kite Day by Will Hillenbrand

Year 2 - Oliver's Vegetables by Vivian French

A huge **thank you** to all the staff and children in Year 1 and Year 2 for another fantastic half-term at Forest Schools.

I wonder what fun activities we will do in Autumn 2?

Miss Stamper, Forest Schools Leader
