

# Family activities this summer

## Forest School family activities

Dates vary. Normal entry prices apply.  
Book your session online.  
Suitable for age 6 - 12 year olds.

Let's get stuck into nature! Children will be getting involved with exciting activities including creating shelters, building fires, bug hunting, clay craft, scavenger hunts, creating habitats, nature crowns and much more!

Watch how these hands-on experiences help to build confidence and self-esteem whilst developing positive relationships with themselves, others and the natural world.

## Fledglings

5th, 12th & 19th August. £10 per child/ One accompanying adult free. Age 3 - 5 year olds.

Creative and imaginative outdoor sessions for children to experience the magic of the woods through storytelling, nature play, music, puppetry and much more.

A great way for youngsters to learn about the environment and support development, communication, social skills and confidence outdoors.

## Festival of Archaeology

Normal entry prices apply. Suitable for all.

As part of our Festival of Archaeology, taking place between 16th - 29th July, budding young archaeologists are invited to find out how the Romans lived and discover what they left behind in our mock Roman excavation pits. Plus, they can get to experience Mesolithic shelter building and the Round House, brought to life with people in traditional Iron Age dress, demonstrating how locals would have lived 3000 years ago.
